Lenten Creation Care 2021

Lent is a time for prayer, fasting, and more intentional sharing. This year, our church is joining with many others in heeding the call to be stewards of God's Creation throughout this season.

May this calendar remind us to be more mindful of the ways that our daily habits impact both our common home and all those with whom we share it.

On behalf of future generations and all living in poverty — those most harmed by our damaged climate — may we answer God's call to be faithful stewards, speaking out for Creation care.

<p>A prayer from Psalm 51:</p> <p><i>Create in me a clean heart, O God, and put a new and right spirit within me. Creator God, we begin this Lenten season asking for Your renewal. Through prayer, fasting, and sharing over these 40 days, we ask that our eyes be opened to the ways we can do better; in our relationships with You, Your Creation, and all those with whom we share this, our common home. Lord, help us to restore what has been damaged through our sinful overconsumption and the systemic injustices that surround us, returning to You with renewed spirits.</i></p>			<p>FEBRUARY 17</p> <p>Ash Wednesday <i>"All are from the dust, and to dust all return."</i> - Ecclesiastes 3:20</p> <p>Reflect with gratitude on the reality that we all are made of and fed by the earth.</p>	<p>18</p> <p>Tonight @ 6 pm, join Creation Justice Ministries for "ResiLENT Worship: Preaching Our Way to Climate Resilience," an online workshop on incorporating climate-resilient worship in your community: bit.ly/CJMresilience</p>	<p>19</p> <p><i>"Make me to know your ways, O LORD; teach me your paths."</i> - Psalm 25:4 The path to climate justice passes through every other struggle we face.
